

MEGlobal Canada Inc. Scholarship Opportunity

MEGlobal is a world leader in the marketing and manufacturing of ethylene glycol products. It operates two world-scale production facilities at Prentiss in central Alberta. MEGlobal is a Responsible Care company committed to the sustainability of its operations, the environment, and local community. MEGlobal understands the value of education in bettering society. In particular, MEGlobal aims to assist students pursuing science-oriented post-secondary educations, as these are areas of focus for many of MEGlobal's current and future employees.

Two \$1500 scholarships are available to Central Alberta High School Students annually to pursue full-time studies in a post-secondary program in a field related to the chemical industry.

Criteria:

- be a Canadian Citizen or permanent resident
- have completed the requirements for Central Alberta (Wolf Creek/Red Deer School Divisions) high school graduation
- be registered in a full-time accredited Canadian post-secondary institution entering the first year of a degree or diploma program in a field of study supporting the chemical industry
- complete the application form and attach transcripts of your high school academics
- include a cover letter about you and reasons you are applying
- provide **two** reference letters (teacher, school staff, coach, volunteer organization).

Selection: A committee of MEGlobal employees selects award recipients based on a combination of academics, community service and leadership. Selection Committee Members must not be related to applicants.

Application Deadline: August 1st Scholarships are awarded in the fall each year.

Submission Details: Email or mail completed applications to:
